

REMARKS

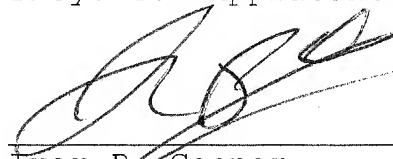

We have corrected the status identifier of claim 23 as required by the notice.

On December 31, Counsel consulted with Examiner Calamita to determine whether the corrected section should be corrected just to show the status of the claims as of the date of the non-compliant amendment (September 20, 2005) or whether it needed to be updated to reflect the election with traverse filed September 22, 2008. Examiner Calamita informed Counsel that the corrected section should not be updated to reflect the claims withdrawn as a result of the election.

Respectfully submitted,
